

Connectory.com® the United States Network

Profile Intake Application

The Connectory.Com® -the United States Buyer-Supplier Network- is the premier business-to-business communication and marketing tool that links industrial and technology companies -- across all industries at every level of the supply chain – to each other and to global markets. New programs have brought Connectory.com to the attention of Federal agencies.

Investments from public, private, and non-profit sponsors allow companies to profile in and use Connectory.Com® at **No Cost**.

Please complete this application with relevant information about your company. We encourage companies to provide detailed information about company products, services, capabilities and capacities because the Connectory's search engine ranks company profiles with dense content higher than those who rely on website content alone. Expand the appropriate fields or use additional sheets, if required. Return this application to Connectory.Com®, c/o East County EDC, 1870 Cordell Court, Suite 202, El Cajon, CA 92020 or fax to (619) 258-3674. Call (619) 258-3670 with questions. **Fields in RED are required.**
